BC Safer Schools Coalition  
[join@bcsaferschools.com](mailto:join@bcsaferschools.com)

To whom it may concern:

On behalf of the 41,000 members of the BC Teachers' Federation, I write to offer our endorsement of the BC Safer Schools Coalition.

We are continually striving to make sure that LGBTQ staff and students feel safe in our schools. We encourage locals to adopt LGBTQ policies, to bring them to life and also to update them when the need arises. We provide workshops, resources, and other important information to teachers and their students.

Social Justice is one of the pillars of our union and we strongly believe that the rights of LGBTQ members of our school and communities are of the utmost importance in a caring society.

Sincerely,

Jim Iker  
President
